- g. Other _____

Comments:

If you would like to work with the Youth Action Committee (YAC) on connecting teen volunteers with your organization, please answer the following questions so we can follow up with you appropriately:

Name: _____ Organization: _____

Address: _____

Email: _____ Phone Number: _____

Best time to get a hold of you (specific days/times): _____

Please check all that apply:

_____ I would like to speak with teenagers about how our organization works with community needs and our available services that involve volunteers – either one time or ongoing opportunities

_____ I would like to host a volunteer project with YAC that would be open to local teens

If you checked this one, please circle the most fitting option below:

- a) I have a few projects in mind that could be done in the next few months, please contact me soon
- b) I am not quite sure yet what the project could be, but would like to work with YAC on picking and planning the project sometime approximately 3 months from now
- c) I think we could utilize teens in a particular special event-I’ll share more details when the time comes

_____ I would like our organization to have a link on the www.yacpack.org website so teens know we offer leadership volunteer roles for them

_____ I would like to learn more about posting & marking “teen friendly” volunteer opportunities on www.volunteersrock.org
